

**Jeopardy!**

Storyboard

# Name Entry

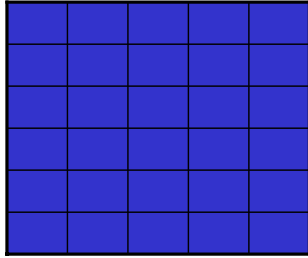

Enter Name

Player 1

Play

Each user enters their name and presses the Play button to advance to the Select Question scene.

# Select Question

Score: 200

Score: 700

Score: -1200

A user selects the question from the question board at the left. Each user is represented by character on the right. The movie progresses to the Answer Question scene.

# Answer Question

Question Text

Correct!

Player 1:

User's Answer

Go

Question text appears based on what question was selected on the previous page. After the user rings in, and their name appears, they answer in the text field. After entering the answer, they get a Correct/Incorrect response. The movie goes back to the Select Question screen.

# End Game

User's final score.

High score list

Mike 2000

Dave 1200

Sarah -800

After all the questions are answered, the user gets this end game screen, where they can view high scores.
